

LYTEBALANCE®

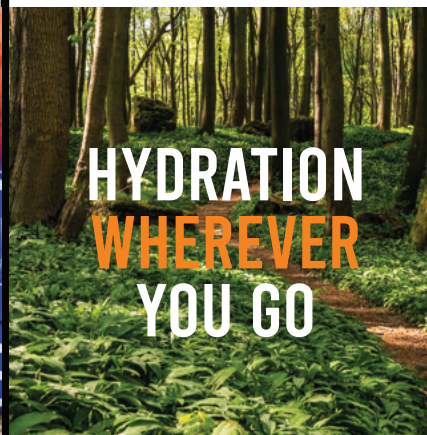

**SUMMER 2024
MARKETING
STRATEGY**
5/14/24

OVERVIEW

The summer 2024 marketing campaign for Lyte Balance aims to increase sales of their liquid and powder electrolyte products. The campaign focuses on educating consumers about electrolyte importance, showcasing product features, and providing educational resources. Through these strategies, Lyte Balance aims to boost brand awareness, engage customers, and drive conversions.

#LyteBalance**

The image features a vibrant orange background with a sunburst pattern. Numerous thin, light-orange rays radiate from a central point at the bottom, creating a sense of warmth and energy. In the center of the lower half, the words "THANK YOU!" are written in a bold, white, sans-serif font. The text is arranged in two lines, with "THANK" on top and "YOU!" below it, both centered horizontally.

**THANK
YOU!**
